AP said it depends on the child. This was brought up in SEND review. The child needs to be asked a question in an appropriate way to that child to answer. Generally, the child should be able to know the difference between History and Geography.</p> <p>Governors asked what happens if a child is asked an inappropriate question by an outside visitor? AP said that would be a discussion in that scenario. There is a need to develop confidence so we are on the front foot to be aware of what is going on in the classroom.</p>

12.	<p><b>Analyse impact of additional funding (PP, Sports, SEN)</b>  AP said that PP should be moved to December Autumn 1 Governors meeting Agenda  SEND should be in Spring 1 or 2 Agenda  <b>Sport</b> AP reported that the main way getting the information is from the PE impact statement. LW has looked at this. We now have this. <a href="https://drive.google.com/open?id=1Fa1A8d2anDYOA4sGHixG6CEkYD0m3Rg7&amp;usp=drive_fs">https://drive.google.com/open?id=1Fa1A8d2anDYOA4sGHixG6CEkYD0m3Rg7&amp;usp=drive_fs</a> Year 3 moderation. Year 2 lower than other years. This needs looking at. AP explained how the system works and how the impact on the children and compare. These results can be tracked for next year with Blippit Boards. This gives the Governors a better idea of where the funding is spent. Swimming is managed separately through impact assessment reports. CT said it looks very thorough and a real development from what we had had before. AP said it is more holistic. <a href="#">Governors asked is there confidence there is enough time to meet these?</a> AP said yes. On aggregate there is not a drop in hours. We meet the requirements.  AP said a SEND annual report would be beneficial for governors. 2 templates have been suggested. These will be amalgamated to give good overall information in relation to SEND. Governors were grateful for the information. <a href="#">Governors asked about if this information is shared with parents?</a> AP said it is a public document.</p>	<p><b>PR</b> <b>PR</b></p>
13.	<p><b>Headteacher's report</b> <a href="https://drive.google.com/open?id=19P5hNjwquubrAxar6vk3FGAnf3qsTKa2&amp;usp=drive_fs">https://drive.google.com/open?id=19P5hNjwquubrAxar6vk3FGAnf3qsTKa2&amp;usp=drive_fs</a>  AP highlighted the following:  The heads report is not on assessment yet, the results of KS2 are not yet available. This is the confirmed data so far. Phonics slightly lower than prediction, but is unavoidable. Multiplication test at national average. Year 2 – not statutory but no longer a statutory bench mark. Our own results show we are at national. We should be prepared for KS2 to be lower due to the type of cohort. Attendance is positive at 95.3% in particular SEND pupils. Persistence absence is better.</p>	

Ref	Action or Decision	Action Owner & Deadline
	<p><b>Governors asked about new attendance policy with parents?</b> AP said this will be going out very soon. The fining aspect is more stringent. This has become mandatory. From the school's perspective we will have better clarity.</p> <p>Pupil comments – the fire alarm makes pupils anxious. All children other than reception take part. Comments only KS2 and is done online. KS1 done in class with AP. AP might change some of the phrasing next year. These are done termly.</p>	
14.	<p><b>Monitor School Development Plan (SDP) for current year</b></p> <p><b>Governors asked about "scaffolding" for new learners?</b> AP said he would refer back to SEND and using visuals. Needs to be consistent in all classes. Time is an issue to facilitate sharing practice and can be limited. Scaffolding is used to prop up support the children to learn with visuals for example. Mainly used to embed learning for lower, middle attaining children. Generally, writing is an area for improvement and is identified in the assessment processes when moving from one year to the next. There are transition meetings held.</p> <p><b>Governors asked about relating this to parents?</b> AP said this is part of the reporting at parents' evenings in discussions with class teacher.</p> <p><b>Governors asked are parents aware of the age-related expectations at those meetings?</b> AP said they are given information on a slip in relation to assessment at parent evening meetings. AP said it is not for the school to tell parents what they should be doing at home. A pro-active parent would be asking what they can do at home. Teachers are helping parents with the tools to support.</p>	
15.	<p><b>Reports from Lead Governors</b></p> <p><u>Communication and wellbeing MR</u>  <a href="https://drive.google.com/open?id=19q70LTiG5A3RbfReAryKBWRvrMMoS1fS&amp;usp=drive_fs">https://drive.google.com/open?id=19q70LTiG5A3RbfReAryKBWRvrMMoS1fS&amp;usp=drive_fs</a>  MR said the parent survey went out exactly the same questions. Similar results. Lots of positive comments. Not sent to pre-school parents. AP said national benchmarks are important. Governors said it would be good to get some more details.</p> <p><u>Finance Lead GO</u>  <a href="https://drive.google.com/open?id=19r-J4CZgfiNFFWbp00f8GPunY6_rY9Aa&amp;usp=drive_fs">https://drive.google.com/open?id=19r-J4CZgfiNFFWbp00f8GPunY6_rY9Aa&amp;usp=drive_fs</a>  GO said quite new into the budget with a reasonable carry forward.</p> <p><b>Governors asked about declining birth rates and how that affects our finance?</b> GO said our funding is based on number of pupils. With the birth rate falling we are down on numbers but our expenditure is not. This has been looked into and this is a national issue, east Devon is particularly badly hit with less building being done and higher retired people moving to the area. Advertising is being done to promote the school. Adjustments have been made. Forecasts for the 5 years are not good.</p> <p>GO's monitoring report was noted by governors.</p> <p><u>Learning standards lead LW</u>  <a href="https://docs.google.com/document/d/1BFVUyzuWu63MaEmqu08rmTNIIUUDkfWc?rtpof=true&amp;usp=drive_fs">https://docs.google.com/document/d/1BFVUyzuWu63MaEmqu08rmTNIIUUDkfWc?rtpof=true&amp;usp=drive_fs</a>  LW's monitoring report was noted by governors.</p> <p><u>Personnel Lead SI</u>  SI requested agreement to re-appoint Brad as external advisor. Gives constructive and objective and has been involved with the school for a long time and knows the school very well. There was some discussion around a fresh pair of eyes and look at the provision needed. But it was felt he is the best choice for us for the time being.  The employment of Luke is an operational decision who is trained to delivering the framework.  Governors agreed – all in favour.</p> <p>Hannah left the meeting.</p> <p><u>Premises, Safety and Security CO</u>  <a href="https://docs.google.com/document/d/1wP-FKJe3ik0qM0UKROVsxs_IDKBCUgk9?rtpof=true&amp;usp=drive_fs">https://docs.google.com/document/d/1wP-FKJe3ik0qM0UKROVsxs_IDKBCUgk9?rtpof=true&amp;usp=drive_fs</a>  CO just confirmed we have the nutritionist has been agreed.  CO reported the accessibility plan has been reviewed.  Can Approve the write off of irrecoverable debt to Autumn 1 in the Terms of Reference. Agreed</p> <p>CO's monitoring report was noted by governors.</p>

16.	<b>Review the progress the school has made during the year – recognise and celebrate.</b> CT said the SDP helped us with the understanding. It was felt that the AGM is a good place to discuss further. Everyone was asked to bring something to the AGM. Governors did say that the Forest school is a really good USP.	
17.	<b>School Communication</b> CT said he had sent out some information to help with discussion. Generally, schools are criticised for their communication. We need to understand the importance of good communication and the quality. There was a discussion around the way we communicate from the school and how we monitor and improve. This has been done through social media, surveys, newsletters. It is recognised we could be more timely. Dates are set early in year for events but things do get changed. Are we as a board satisfied that the school communication is as it should be or should there be any strategic changes to make in line with the "tone"? We also need to be aware of information overload and staff workload. Responses to emails was discussed. It was agreed the school will monitor communication on an operational level.	
18.	<b>Reflection on the Governing Board's structure and its impact</b> Referred to AGM	
19.	<b>Governor training</b> No training undertaken. PR requested that if Governors undertake training they fill in the template form and return to her. Also PR has sent out the new list of available training from DCC for Governors, anyone interested should contact her. It was discussed that there is a training budget available.	
20.	<b>Policies &amp; Procedures</b>  <b>Policies approved by ToR holders, committees, individuals, in line with delegations</b> <ul style="list-style-type: none"> <li>- Complaints – No Changes</li> <li>- Equality Policy - Carried forward</li> <li>- Health and Safety policy from OSHENS – NEW version To be approved</li> <li>- Volunteers in Schools – Some small changes</li> <li>- Collective Worship - To carry forward</li> <li>- Send Policy (BF from May Meeting) To Autumn 1</li> <li>- Lettings Policy (BF from May Meeting)</li> </ul> <b>New Policies for FGB approval</b> <b>NONE</b>	Agreed
