

## Weather and Seasons

This term we will be exploring the 4 seasons that we have in the UK and looking at the different types of weather that are associated with each season.

## Significant Individuals

David Braine (BBC Weather presenter for the South West)

Greta Thunberg

## Main enquiry questions

How is the year organised into months and seasons?

What are the differences between the seasons?

How can I show what season I am in?

How do people dress for different kinds of weather?

How can I tell the weather's story?

How does the weather affect people's work?

### Key Concepts

The following are the key concepts for this unit:

Order of the months/seasons

Observing the changes across the seasons.

Understanding that the temperature is linked to night/day.

Comparing our seasons with other parts of the world.

Climate change

### English Texts

This term in English we will be studying the following texts:

Where the Wild Things Are, by Maurice Sendak Farmer Duck, by Martin Waddell and the fairytale Chicken Licken

Cave Baby by Julia Donaldson and Emily Gravett.

Our focus will be on narrative retelling

### Maths learning

This term in maths we will be studying:

Place Value (within 10)

Key Instant Recall Facts :

I can read and write numbers 1-10 in numerals and words

History links	Science	Art	PE	Music	RE	Computing	PSHE
When were the first weather reports?  Historical weather data facts.	Seasons and Weather: observe and describe changes across the four seasons and describe the associated weather	Spirals: This pathway aims to introduce children to the idea that making a drawing is a physical activity which uses the whole body and connects head, hand and heart. They are also introduced to the use of sketchbooks as a place of personal exploration.	Gymnastics: focuses on developing fundamental movement skills like jumping, landing safely, rolling, and balancing	Hey You: As well as learning to sing, play, improvise and compose with this song, children will listen and appraise other Old-School Hip Hop tunes.	What does it mean to belong to a faith community? being part of a group of people who share a common belief in God or a religion, often celebrating special events and using symbols to show their shared identity	Computing Systems & Networks: Technology Around Us:	Family and Relationships: Exploring how families are different to each other, how friendship problems can be overcome and exploring friendly behaviours. Recognising how other people show their feelings, identifying ways we can care for others.

Our Curriculum Elements for this half term.
