

Year 1 Summer 2: How can I look after my local area?

This term's driver topic is all about our local area, Newton Poppleford! We will be comparing urban and rural areas and making maps. Later in the term we will be getting out there to see how we can help look after our local area.

Significant Individuals

We are in discussion with several significant local individuals... more to be revealed soon.....

Main enquiry questions

- What sort of an area do I live in?
- How can I describe our local area?
- How can a map show what a place is like?
- How do we make a map of our local area?
- How can I look after my local area?

Key Concepts

To learn about where we live and being able to other areas. Finding out how maps work and what they can show us. Researching what is needed to help look after our area and using the findings to make a plan of action.

English Texts

This term in English we will be studying the following texts:

Claude in the City by Alex T Smith and **the Slime Book** by DK Children
