CT and GF confirmed their agreement they wish to stand for the roles and were asked to leave the meeting so the Governors could take a vote. A vote was taken and it was agreed unanimously that CT be Chair and GF be Vice-Chair. CT and GF returned t the meeting and were informed of the decision.	
9.	Visions and Values - CT said the Visions and Values for the school were set in 2022. CT shared his screen with the Governors. The document outlined the Visions and Values. The screen showed the core values in the centre and the 5 areas of strategic vision for the school. He said there had been a lot of work done with a range of school stakeholders to identify and agree these in 2022. As governors we have to decide if e wish to make any changes. CT presented through the 5 current areas in detail. The governors then discussed these and made comments. It was agreed that we do not have to stick to 5 areas and there was discussion where 3 further key areas were identified. All of these priorities make NP a school of choice. CT will draft the new Visions and Values statement diagram and bring back to the next meeting for further discussion and agreement. Key Priorities – CT read out the 4 current Governors key priorities. CT asked Governors to split into small groups to discuss. After this the governors returned as a full group to discuss together. There were several areas that Governors felt needed adding and adjusting. These were around supporting SEND and under-resourced children, development of EYFS,	СТ
	development of Governor's skills and development, improving areas of identified development highlighted recently. It was agreed that CT will add the additional areas agreed and bring back to the next meeting.	OI .
10.	Head Teacher Report AP presented his report and shared his screen with Governors. He also did the safeguarding update (Agenda item 14). Safeguarding has had a quiet start to the year. Pupil numbers currently 187 a positive picture. Attendance also positive start. Staffing, some staff illness and some staff changes. Fairly settled. AP presented the Teaching and learning and school priorities 2005 – 26. Writing is a focus area. This was agreed by Governors.	
11.	School Development Plan AP did not go into great detail. The 5 priorities will be presented in detail and the next meeting.
