FROM THE HEADTEACHER

Virtual parent meeting links have now been sent to parents via Eschools. Please contact the school office, if you have not received a link or need to re-arrange your appointment time.

Can we also please request that parents supervise their children at pickup time on the upper and lower playground and respect school property as well as put equipment back after use. On the lower site in particular, staff will already have cleared toys away by the end of the school day and if your children then use the toys outside the pre-school/reception area, whilst you are waiting to collect other children, staff are having to re-tidy the area once more. Thank you for your support

MESSAGE FROM THE PTFA

CRISP PACKET RECYCLING

The Crisp Packet Recycling Scheme is closing on 8th April

So, drop off your packets here until Easter

Then find your local collection point using the Recycle Now website

Thanks for all your support and please keep recycling! Contact The PTFA if you have any questions

Unfortunately, Terracycle, who we send our crisp packets to recycle with, will stop at Easter so we are collecting together our last boxes to send off. Please bring in your crisp packets by next Friday 1st April to send off

EASTER EGGSTRAVAGANZA UPDATE: In response to the current wave of COVID cases, the PTFA have decided to CANCEL this year's Easter event. Fingers crossed for lots of chocolatey fun next year!
