For any Twilight after school club matters please phone the main school number.

## Gentle Reminders

We have had an incident where a child was allowed to use the school lift by a parent. Please do not use the lift unless necessary. Children should **never** use a lift unattended.

Some children are arriving at school early and are left unattended. Please take responsibility for your children until there are teachers on duty at the front of the school at 8.45am.

Parents parking both before and after school has become a problem for local residents. Please park considerately and legally particularly in the Free Car Park, in both School Lane and in the roads branching off from School Lane.

## Free Paediatric First Aid Course (Basics)

Following the success of our recent Defibrillator & CPR courses, we have asked what other training people would be interested in. One of the most popular courses asked for was for First Aid for Children - Volunteer 4 All will be offering these courses in the near future and have now opened a register of interest. Dates and Times will be confirmed in the near future.

---

To register your interest in attending one of these courses, please email [v4a@tripcta.org](mailto:v4a@tripcta.org), call 01404 46529 or call in to our office at 122 High Street, Honiton

---

\*\* Please note that to be signed up for these free courses, we will need to secure a personal identifier from you, such as a national insurance number, driving licence or passport number. This is used by our funders for verification purposes only and not shared with anyone else.
